ADMISSION GUIDELINES

Academic Session 2026-27 | UG, PG, Diploma & Ph.D. Programmes

1. Purpose and Applicability

These guidelines govern all admissions to Undergraduate (UG), Postgraduate (PG), Diploma, and Ph.D. programmes offered by Brainware University (“the University”), Kolkata, for the 2026-27 academic session. They apply uniformly across the Barasat and Salt Lake campuses and to all programmes run under the University's nine Schools, unless a specific exception is notified separately.

2. General Rules

• Admission to most UG, PG, and Diploma programmes is offered on the basis of the candidate's score in the Brainware Eligibility Test (BET), or an accepted national/state-level entrance score, combined with eligibility in the qualifying examination.

• A candidate may apply for more than one programme in the same admission cycle; a separate application form and application fee are required for each programme.

• Admission secured through misrepresentation, suppression of facts, or submission of forged or falsely attested documents shall be cancelled at any stage, and the candidate shall be debarred from attending any course at the University.

• Reservation of seats for SC, ST, OBC-A, OBC-B, and PwD candidates follows the policy of the Department of Higher Education, Government of West Bengal; a 5% relaxation in minimum qualifying marks applies to these categories, except for programmes under the School of Law.

• The University reserves the right to withhold, defer, or cancel admission to any programme in case of insufficient enrolment, regulatory restrictions, or administrative reasons.

3. Document Verification

During the online application and seat-booking stage, candidates are required to submit only self-attested scanned photocopies of the prescribed documents by email or WhatsApp to the Admission Department. Original marksheets, certificates, and the Migration Certificate must be produced in person for physical verification at the Barasat campus before the commencement of classes.

If any submitted document is found to be false or falsely attested, the candidate will be debarred from attending any course at the University, and the admission stands cancelled without refund.

4. Fee Structure and Payment Rules

Component	Amount / Basis
Application Fee (per programme, non-refundable)	Rs. 400
Provisional Seat-Booking Fee	Rs. 5,000 (adjusted against the first semester fee)
Programme Tuition Fee	As per the fee mentioned against each programme (course-wise)
Mode of Payment	NEFT / IMPS / UPI / Online Payment Portal

• Fees are payable online through the official University payment portal (brainwareuniversity.org.in/applicant); cash payments are discouraged and receipts must be retained.

• The Rs. 400 application fee is strictly non-refundable under any circumstances, including non-selection or voluntary withdrawal of application.

• In case of cancellation of an admitted seat, refunds are processed as per UGC guidelines based on the date of withdrawal; the initial application fee remains non-refundable.

• Programme fees, once paid for a semester, are non-transferable to another candidate or programme.

5. Instructions to Students

• Read the Eligibility Criteria and Required Documents booklets carefully for the chosen programme before applying, as eligibility norms vary across UG, PG, Diploma, and Ph.D. programmes.

• Use a valid, regularly-accessed personal email ID and mobile number for registration; all official communication, including the BET admit card and result, is sent to these contacts only.

• Keep self-attested scanned copies of all required documents (as listed in the Required Documents booklet) ready in PDF/JPEG format before starting the online application.

• Candidates offered provisional admission must complete the Anti-Ragging undertaking and report for document verification at the earliest, as guided by the Admission Cell.

• Ragging in any form is a punishable offence under law and University rules; the Admission Cell will guide candidates through completion of the mandatory Anti-Ragging form.

Note: Eligibility criteria and fee structures are indicative and subject to change. Candidates should confirm the latest details on www.brainwareuniversity.ac.in or by calling +91 70031 62601 before applying.
